...

...

...

2  
WHAT

3  
woah woah // woah woah woah

2  
WHEN DID YOU FIND // OUT ABOUT THIS

3  
my life is flashing before my eyes

1  
this morning

2  
how

1  
this morning i made a little fart noise with my mouth at the breakfast table  
and my mom ROLLED her eyes and said  
YOU ARE GOING TO HAVE TO GROW UP ONE OF THESE DAYS  
so i've decided that it's going to be today

2  
you're so calm  
you're  
like  
SO  
calm

3  
how are you so calm  
about THE BIGGEST THING TO HAPPEN TO US  
EVER

1  
i don't know  
i think we'll like it

2  
REALLY

1  
mmhmm  
cause i want to learn how to drive and get a job  
and come home and say  
THE TRAFFIC WAS HORRIBLE

3  
there's a lot of other things grown ups have to do

1  
like what

oh like	2
like	
//like	
LIKE GETTING BOOBS	3
APOLOGIZE FOR SAYING BOOBS	2
SORRY FOR SAYING BOOBS	3
i think saying boobs is okay	1
	...
	...
	...
	3 throws her shoe against the wall
WHAT	3
WHO SAID THAT SAYING BOOBS	2
APOLOGIZE	3
SORRY FOR BOOBS SAYING THE OTHER <i>BREASTS</i> WORD WAS OKAY	2
it's a body part we're aloud to say body parts	1

well we // don't get to say all 2

that is 3  
oh yeah  
we can't say

what 1

well 3  
i can't say it

say it and then apologize 1

whisper it to me first 2

no that makes it worse 3  
i'll just  
mmmmmm  
...  
vagina  
SORRY

EEEEWWW//WWWWW 2

i'm sorry 3  
I'M SORRY

THAT'S SO GROSS // I'M GONNA BARF 2

SORRY SORRY SORRY 3

why is it gross 1  
it's like the same thing as saying arm

2

because its  
like where like pee and babies live

3

uh-huh and everyone's got arms but not everyone's got  
a  
you know

2

actually my dad has this friend who doesn't have any arms  
because he lost them when he was going skiing when he was in college  
so that's not even a true fact  
his name is robbie and he has two robot arms  
so that was offensive to robbie

3

sorry robbie

1

so i can't say  
the v word

3

nope

2

you can say it when your older

1

how old

3

19

like 40

2

3

NUH-HUH  
my big sister  
she's 19  
and she says it all the time  
vagina this vagina that  
and she told me that  
well she didn't tell me  
i was knocking on her door  
because i wanted to see if she wanted to play zoo with me  
and she screamed at me

GO AWAY  
 and i asked why i had to  
 and she said she was  
 SHAVING HER VAGINA  
 because derek  
 her boyfriend  
 was coming over  
 and i thought about that for awhile  
 and i figured out that, that means  
 SHE SHOWS HIM HER VAGINA

1, 2, & 3 gasp

3

sorry for vagina  
 sorry for vagina  
 sorry for vagina  
 sorry for vagina

2

I'M NOT READY FOR THAT

1

ewww

3

MMMHHMM  
 and derek has a long beard  
 and long shaggy hair  
 and i don't know why she hangs around him at all

2

(sounding out the name)

//deerreekk

3

my sister always puts on makeup when he comes over  
 and she yells at me a lot before he comes over  
 but she never yells when he's there  
 and she wears these really short skirts where you can almost see her BUTT  
 sorry

2

my mom makes me wear skorts

1

when i'm grown up  
 i'm gonna wear  
 whatever i want  
 whenever i want

3

but if my dad sees my sister in the skirts  
 then he yells at her to come down stairs  
 and screams at her  
 I DON'T WANT YOU WALKING AROUND LIKE A SLUT  
 and he makes her change into baggy pants

...  
 sorry for saying slut

1

what's that

2

it's when you go around a show everyone your privates

3

like

(pretending to flash them)

boom  
 boom  
 boom

1

(excitedly curious)

oh

3

it's very un-lady//like

2

mmmhmm  
 and probably illegal in like  
 30 states or something

1

but you just did it

3  
 but i only fake did it  
 i didn't actually show you my vagina or // nothin

2  
 APOLOGIZE

3  
 SORRY

1  
 so i'll keep 'em to myself

3  
 but you can't not show your privates to anybody either  
 because then you'll be a  
 pruuude

1  
 //a what

2  
 MMHMM I HEARD  
 one time i was at my poppop and grannie's house  
 and i was watching tv  
 and my grannie looooooves watching the gossip channel  
 and there was this girl who said that she was waiting until after she was married  
 until she showed her husband her vagina  
 and  
 sorry  
 and the man with the poofy hair said that she was a PRUDE

1  
 then how many people are you suppose to show them to

2  
 i // don't know

3  
 maybe like 7

1  
 oh  
 that seems really stressful

3  
see that's why growing up is stupid  
sorry

2  
yeah see we don't have to be prudes or sluts yet  
we can wait until later

3  
mmhmm  
we still have time play with friends and  
be really really loud and stuff

2  
YEAH

1  
when do we become grown up

2  
i don't know  
maybe when we get  
like boobs  
sorry

3  
uh huh  
and then we can decide if we are  
a slut  
sorry  
or a prude  
sorry

2  
and that means we'll be all grown up

1  
oh  
okay  
what do we do until then

3  
i think we just have to keep waiting

1  
oh

they lie back on the floor

1 chews on her hair

2 clicks her tongue

3 throws her shoe

hair

tongue

shoe

hair

tongue

shoe

hair

tongue

shoe

...
